

A personal approach to giving

DONOR ADVISED FUND

Creating a Donor Advised Fund allows you to make a gift to the Nanaimo Foundation, then remain actively involved in suggesting uses for your gift.

How it works

- You make a gift to the Nanaimo Foundation – you can give cash, appreciated stocks, real estate, or other assets.
- We set up a special fund in your name, in the name of your family or business, or in honour of any person or organization you choose.
- You receive tax benefit in the year your gift is made.
- You recommend uses for the fund – working with our professional program staff to support the causes and organizations you care about most.
- Your recommendations are presented to the Nanaimo Foundation board for approval.
- We handle all the administrative details and issue grants to charities in the name of the fund you establish (if you prefer, grants can be made anonymously).
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift – and all future earnings from your gift – is a permanent source of community capital, helping to do good work forever.

More benefits

Donor Advised Funds are convenient, flexible tools for individuals, families, businesses, or groups that want to be personally involved in suggesting grants made possible by their gifts. If you have a range of community interests, a Donor Advised Fund may be the ideal vehicle for fulfilling your charitable wishes. They are typically less costly and easier to administer than other forms of philanthropic giving (such as family or corporate foundations).

Your gift can be combined with others to increase its impact, and you can add to the fund you establish at any time, receiving tax benefit with each new gift. You can establish a fund today and make grant recommendations now or in the future. And if you endow your gift, it becomes a permanent resource for the community.
